United States Patent and Trademark Office (USPTO) Office Action (Official Letter) About Applicant's Trademark Application

U.S. Application Serial No. 97450923

Mark: HIP-HOP SHORTIES

Correspondence Address:

JILL M. PIETRINI

SHEPPARD MULLIN RICHTER & HAMPTON LLP

1901 AVENUE OF THE STARS, SUITE 1600

LOS ANGELES CA 90067 UNITED STATES

Applicant: Smith, James Todd

Reference/Docket No. 71AK-308425

Correspondence Email Address: trademarksCC@sheppardmullin.com

NONFINAL OFFICE ACTION

Response deadline. File a response to this nonfinal Office action within three months of the “Issue date” below to avoid [abandonment](#) of the application. Review the Office action and respond using one of the links to the appropriate electronic forms in the “How to respond” section below.

Request an extension. For a fee, applicant may [request one three-month extension](#) of the response deadline prior to filing a response. The request must be filed within three months of the “Issue date” below. If the extension request is granted, the USPTO must receive applicant’s response to this letter within six months of the “Issue date” to avoid abandonment of the application.

Issue date: April 24, 2023

Introduction

The referenced application has been reviewed by the assigned trademark examining attorney. Applicant must respond timely and completely to the issue(s) below. 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

Summary of Issues

- Section 2(d) - Likelihood of Confusion Refusal
- Advisory regarding Potential Section 2(d) Refusal - Prior-Filed Applications
- Section 2(e)(1) – Merely Descriptive Refusal
- Advisory regarding Amendment to the Supplemental Register After Filing an Amendment to Allege Use to Overcome Refusal
- Amendment to Identification of Goods Required

Section 2(d) - Likelihood of Confusion Refusal

Registration of the applied-for mark is refused because of a likelihood of confusion with the mark in U.S. Registration No. 5066041. Trademark Act Section 2(d), 15 U.S.C. §1052(d); *see* TMEP §§1207.01 *et seq.* *See* the attached registration.

Trademark Act Section 2(d) bars registration of an applied-for mark that is so similar to a registered mark that it is likely consumers would be confused, mistaken, or deceived as to the commercial source of the goods and/or services of the parties. *See* 15 U.S.C. §1052(d). Likelihood of confusion is determined on a case-by-case basis by applying the factors set forth in *In re E. I. du Pont de Nemours & Co.*, 476 F.2d 1357, 1361, 177 USPQ 563, 567 (C.C.P.A. 1973) (called the “*du Pont* factors”). *In re i.am.symbolic, llc*, 866 F.3d 1315, 1322, 123 USPQ2d 1744, 1747 (Fed. Cir. 2017). Any evidence of record related to those factors need be considered; however, “not all of the *DuPont* factors are relevant or of similar weight in every case.” *In re Guild Mortg. Co.*, 912 F.3d 1376, 1379, 129 USPQ2d 1160, 1162 (Fed. Cir. 2019) (quoting *In re Dixie Rests., Inc.*, 105 F.3d 1405, 1406, 41 USPQ2d 1531, 1533 (Fed. Cir. 1997)).

Although not all *du Pont* factors may be relevant, there are generally two key considerations in any likelihood of confusion analysis: (1) the similarities between the compared marks and (2) the

relatedness of the compared goods and/or services. *See In re i.am.symbolic, llc*, 866 F.3d at 1322, 123 USPQ2d at 1747 (quoting *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1164-65, 64 USPQ2d 1375, 1380 (Fed. Cir. 2002)); *Federated Foods, Inc. v. Fort Howard Paper Co.*, 544 F.2d 1098, 1103, 192 USPQ 24, 29 (C.C.P.A. 1976) (“The fundamental inquiry mandated by [Section] 2(d) goes to the cumulative effect of differences in the essential characteristics of the goods [or services] and differences in the marks.”); TMEP §1207.01.

Applicant has applied to register the mark HIP-HOP SHORTIES in standard characters for “A full line of clothing; Headwear; Footwear; Belts” in International Class 025.

Registrant's mark is SHORTIES in stylized text for “Shorts” in International Class 025.

Similarity of the Marks

Marks are compared in their entireties for similarities in appearance, sound, connotation, and commercial impression. *Stone Lion Capital Partners, LP v. Lion Capital LLP*, 746 F.3d 1317, 1321, 110 USPQ2d 1157, 1160 (Fed. Cir. 2014) (quoting *Palm Bay Imps., Inc. v. Veuve Clicquot Ponsardin Maison Fondee En 1772*, 396 F.3d 1369, 1371, 73 USPQ2d 1689, 1691 (Fed. Cir. 2005)); TMEP §1207.01(b)-(b)(v). “Similarity in any one of these elements may be sufficient to find the marks confusingly similar.” *In re Inn at St. John's, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018) (citing *In re Davia*, 110 USPQ2d 1810, 1812 (TTAB 2014)), *aff'd per curiam*, 777 F. App'x 516, 2019 BL 343921 (Fed. Cir. 2019); TMEP §1207.01(b).

Here, applicant's mark, HIP-HOP SHORTIES, is confusingly similar to the registered mark, SHORTIES.

When comparing marks, “[t]he proper test is not a side-by-side comparison of the marks, but instead whether the marks are sufficiently similar in terms of their commercial impression such that [consumers] who encounter the marks would be likely to assume a connection between the parties.” *Cai v. Diamond Hong, Inc.*, 901 F.3d 1367, 1373, 127 USPQ2d 1797, 1801 (Fed. Cir. 2018) (quoting *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1368, 101 USPQ2d 1713, 1721 (Fed. Cir. 2012)); TMEP §1207.01(b). The proper focus is on the recollection of the average purchaser, who retains a general rather than specific impression of trademarks. *In re Ox Paperboard, LLC*, 2020 USPQ2d 10878, at *4 (TTAB 2020) (citing *In re Bay State Brewing Co.*, 117 USPQ2d 1958, 1960 (TTAB 2016)); *In re Inn at St. John's, LLC*, 126 USPQ2d 1742, 1746 (TTAB 2018); TMEP §1207.01(b); *see In re St. Helena Hosp.*, 774 F.3d 747, 750-51, 113 USPQ2d 1082, 1085 (Fed. Cir. 2014).

Incorporating the entirety of one mark within another does not obviate the similarity between the compared marks, as in the present case, nor does it overcome a likelihood of confusion under Section 2(d). *See Wella Corp. v. Cal. Concept Corp.*, 558 F.2d 1019, 1022, 194 USPQ 419, 422 (C.C.P.A. 1977) (holding CALIFORNIA CONCEPT and surfer design and CONCEPT confusingly similar); *Coca-Cola Bottling Co. v. Jos. E. Seagram & Sons, Inc.*, 526 F.2d 556, 557, 188 USPQ 105, 106 (C.C.P.A. 1975) (holding BENGAL LANCER and design and BENGAL confusingly similar); *Double Coin Holdings, Ltd. v. Tru Dev.*, 2019 USPQ2d 377409, at *6-7 (TTAB 2019) (holding ROAD WARRIOR and WARRIOR (stylized) confusingly similar); *In re Mr. Recipe, LLC*, 118 USPQ2d 1084, 1090 (TTAB 2016) (holding JAWS DEVOUR YOUR HUNGER and JAWS confusingly similar); TMEP §1207.01(b)(iii). In the present case, registrant's mark, SHORTIES, is incorporated within applicant's mark, HIP-HOP SHORTIES.

Although marks are compared in their entireties, one feature of a mark may be more significant or dominant in creating a commercial impression. *See In re Detroit Athletic Co.*, 903 F.3d 1297, 1305, 128 USPQ2d 1047, 1050 (Fed. Cir. 2018) (citing *In re Dixie Rests.*, 105 F.3d 1405, 1407, 41 USPQ2d 1531, 1533-34 (Fed. Cir. 1997)); TMEP §1207.01(b)(viii), (c)(ii). Greater weight is often given to this dominant feature when determining whether marks are confusingly similar. *See In re Detroit Athletic Co.*, 903 F.3d at 1305, 128 USPQ2d at 1050 (citing *In re Dixie Rests.*, 105 F.3d at 1407, 41 USPQ2d at 1533-34). In this case, both marks share an identical term, SHORTIES.

Because the marks look and sound similar and create the same commercial impression, the marks are considered similar for likelihood of confusion purposes.

Relatedness of the Goods and/or Services

Determining likelihood of confusion is based on the description of the goods and/or services stated in the application and registration at issue, not on extrinsic evidence of actual use. *See In re Detroit Athletic Co.*, 903 F.3d 1297, 1307, 128 USPQ2d 1047, 1052 (Fed. Cir. 2018) (citing *In re i.am.symbolic, llc*, 866 F.3d 1315, 1325, 123 USPQ2d 1744, 1749 (Fed. Cir. 2017)).

In this case, the application uses broad wording to describe "A full line of clothing", which presumably encompasses all goods and/or services of the type described, including registrant's more narrow "Shorts". *See, e.g., Made in Nature, LLC v. Pharmavite LLC*, 2022 USPQ2d 557, at *44 (TTAB 2022); *In re Solid State Design Inc.*, 125 USPQ2d 1409, 1412-15 (TTAB 2018); *Sw. Mgmt., Inc. v. Ocinomled, Ltd.*, 115 USPQ2d 1007, 1025 (TTAB 2015). Thus, applicant's and registrant's goods are legally identical. *See, e.g., In re i.am.symbolic, llc*, 127 USPQ2d 1627, 1629 (TTAB 2018) (citing *Tuxedo Monopoly, Inc. v. Gen. Mills Fun Grp., Inc.*, 648 F.2d 1335, 1336, 209 USPQ 986, 988 (C.C.P.A. 1981); *Inter IKEA Sys. B.V. v. Akea, LLC*, 110 USPQ2d 1734, 1745 (TTAB 2014); *Baseball Am. Inc. v. Powerplay Sports Ltd.*, 71 USPQ2d 1844, 1847 n.9 (TTAB 2004)).

Additionally, the goods and/or services of the parties have no restrictions as to nature, type, channels of trade, or classes of purchasers and are "presumed to travel in the same channels of trade to the same class of purchasers." *In re Viterra Inc.*, 671 F.3d 1358, 1362, 101 USPQ2d 1905, 1908 (Fed. Cir. 2012) (quoting *Hewlett-Packard Co. v. Packard Press, Inc.*, 281 F.3d 1261, 1268, 62 USPQ2d 1001, 1005 (Fed. Cir. 2002)); *Made in Nature, LLC v. Pharmavite LLC*, 2022 USPQ2d 557, at *49. Thus, applicant's and registrant's goods and/or services are related.

The goods and/or services are compared to determine whether they are similar, commercially related, or travel in the same trade channels. *See Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369-71, 101 USPQ2d 1713, 1722-23 (Fed. Cir. 2012); *Herbko Int'l, Inc. v. Kappa Books, Inc.*, 308 F.3d 1156, 1165, 64 USPQ2d 1375, 1381 (Fed. Cir. 2002); TMEP §§1207.01, 1207.01(a)(vi).

The compared goods and/or services need not be identical or even competitive to find a likelihood of confusion. *See On-line Careline Inc. v. Am. Online Inc.*, 229 F.3d 1080, 1086, 56 USPQ2d 1471, 1475 (Fed. Cir. 2000); *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329, 54 USPQ2d 1894, 1898 (Fed. Cir. 2000); TMEP §1207.01(a)(i). They need only be "related in some manner and/or if the circumstances surrounding their marketing are such that they could give rise to the mistaken belief that [the goods and/or services] emanate from the same source." *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 1369, 101 USPQ2d 1713, 1722 (Fed. Cir. 2012) (quoting *7-Eleven Inc. v. Wechsler*, 83 USPQ2d 1715, 1724 (TTAB 2007)); TMEP §1207.01(a)(i); *see Made in Nature, LLC v. Pharmavite*

LLC, 2022 USPQ2d 557, at *44 (TTAB 2022) (quoting *In re Jump Designs LLC*, 80 USPQ2d 1370, 1374 (TTAB 2006)).

Here, applicant's goods and/or services, "A full line of clothing; Headwear; Footwear; Belts," are closely related to registrant's goods and/or services, "Shorts."

The attached Internet evidence, consisting of *American Eagle*, *H&M*, and *Forever 21*, establishes that the same entity commonly manufactures, produces, or provides the relevant goods and/or services and markets the goods and/or services under the same mark, the relevant goods and/or services are sold or provided through the same trade channels and used by the same classes of consumers in the same fields of use. Specifically, the evidence shows that the same entity provides clothing goods under the same mark. Specifically, the evidence shows the same entity provides the same and/or similar clothing goods under the same mark. Thus, applicant's and registrant's goods and/or services are considered related for likelihood of confusion purposes. See, e.g., *In re Davey Prods. Pty Ltd.*, 92 USPQ2d 1198, 1202-04 (TTAB 2009); *In re Toshiba Med. Sys. Corp.*, 91 USPQ2d 1266, 1268-69, 1271-72 (TTAB 2009).

Accordingly, the goods and/or services are considered related for purposes of the likelihood of confusion analysis.

Conclusion

Because the marks are similar and the goods and/or services are related, there is a likelihood of confusion as to the source of applicant's goods and/or services, and registration is refused pursuant to Section 2(d) of the Trademark Act.

Advisory regarding Potential Section 2(d) Refusal - Prior-Filed Applications

The trademark examining attorney has searched the USPTO database of registered and pending marks and has found no conflicting registered marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02. However, marks in prior-filed pending applications may present a bar to registration of applicant's mark.

The effective filing dates of pending U.S. Application Serial Nos. 90433170 and 90433207 precede applicant's filing date of June 9, 2022. See attached referenced applications. If one or more of the marks in the referenced applications register, applicant's mark may be refused registration under Trademark Act Section 2(d) because of a likelihood of confusion with the registered mark(s). See 15 U.S.C. §1052(d); 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, upon receipt of applicant's response to this Office action, action on this application may be suspended pending final disposition of the earlier-filed referenced applications.

In response to this Office action, applicant may present arguments in support of registration by addressing the issue of the potential conflict between applicant's mark and the marks in the referenced applications. Applicant's election not to submit arguments at this time in no way limits applicant's right to address this issue later if a refusal under Section 2(d) issues.

While applicant is not required to respond to the issue of the pending applications, applicant must respond to the 2(d) refusal above, and the refusal(s) and requirement(s) below within the response deadline mentioned above to avoid abandonment.

Applicant should note the following additional ground for refusal.

Section 2(e)(1) – Merely Descriptive Refusal

Registration is refused because the applied-for mark merely describes a characteristic and/or feature of applicant's goods. Trademark Act Section 2(e)(1), 15 U.S.C. §1052(e)(1); *see* TMEP §§1209.01(b), 1209.03 *et seq.*

A mark is merely descriptive if it describes an ingredient, quality, characteristic, function, feature, purpose, or use of an applicant's goods and/or services. TMEP §1209.01(b); *see, e.g., In re TriVita, Inc.*, 783 F.3d 872, 874, 114 USPQ2d 1574, 1575 (Fed. Cir. 2015) (quoting *In re Oppedahl & Larson LLP*, 373 F.3d 1171, 1173, 71 USPQ2d 1370, 1371 (Fed. Cir. 2004)); *In re Steelbuilding.com*, 415 F.3d 1293, 1297, 75 USPQ2d 1420, 1421 (Fed. Cir. 2005) (citing *Estate of P.D. Beckwith, Inc. v. Comm'r of Patents*, 252 U.S. 538, 543 (1920)).

Here, applicant has applied to register the mark HIP-HOP SHORTIES for use in connection with "A full line of clothing; Headwear; Footwear; Belts" in Class 025.

In this case, HIP-HOP "is a form of popular culture which started among young black people in the United States in the 1980s. It includes rap music and graffiti art." *See* the attached evidence from *Collins Dictionary*. In addition, HIP-HOP is used to refer to "the culture or a fashion, dance, etc. associated with the music". *See Id.* Also, SHORTIES means "noting a garment designed to be of short length". *See* the attached evidence from *Collins Dictionary*. Moreover, the attached evidence from *Hot Topic*, *Nasty Gal* and *Zumiez* establishes that other entities use HIP-HOP to identify a particular type or style of clothing. Furthermore, applicant's identification confirms that it is providing "A full line of clothing; Headwear; Footwear; Belts". Taken together, this evidence establishes that consumers will understand the terms in the mark, HIP-HOP SHORTIES, as merely describing the type of clothing, specifically hip--hop clothing featuring particular garments designed to be of short length.

Generally, if the individual components of a mark retain their descriptive meaning in relation to the goods and/or services, the combination results in a composite mark that is itself descriptive and not registrable. *In re Zuma Array Ltd.*, 2022 USPQ2d 736, at *7 (TTAB 2022); *In re Fat Boys Water Sports LLC*, 118 USPQ2d 1511, 1516 (TTAB 2016); TMEP §1209.03(d); *see, e.g., DuoProSS Meditech Corp. v. Inviro Med. Devices, Ltd.*, 695 F.3d 1247, 1255, 103 USPQ2d 1753, 1758 (Fed. Cir. 2012) (holding SNAP SIMPLY SAFER merely descriptive for various medical devices, such as hypodermic, aspiration, and injection needles and syringes); *In re Fallon*, 2020 USPQ2d 11249, at *12 (TTAB 2020) (holding THERMAL MATRIX merely descriptive of a heat-responsive, malleable liner that is an integral component of an oral dental appliance).

Only where the combination of descriptive terms creates a unitary mark with a unique, incongruous, or otherwise nondescriptive meaning in relation to the goods and/or services is the combined mark registrable. *See In re Omniome, Inc.*, 2020 USPQ2d 3222, at *4 (TTAB 2019) (citing *In re Colonial Stores, Inc.*, 394 F.2d 549, 551, 157 USPQ 382, 384 (C.C.P.A. 1968); *In re Shutts*, 217 USPQ 363, 364-65 (TTAB 1983)); *In re Positec Grp. Ltd.*, 108 USPQ2d 1161, 1162-63 (TTAB 2013).

In this case, both the individual components and the composite result are descriptive of applicant's goods and/or services and do not create a unique, incongruous, or nondescriptive meaning in relation to the goods and/or services. Specifically, the combination HIP-HOP SHORTIES does not create a new or non-descriptive meaning. Consumers will understand the composite phrase as merely describing a

characteristic of applicant's goods, namely, its hip-hop clothing of short length.

Therefore, for the foregoing reasons, the mark is merely descriptive of applicant's goods, and therefore, registration is refused pursuant to Section 2(e)(1) of the Trademark Act.

Advisory regarding Amendment to the Supplemental Register After Filing an Amendment to Allege Use to Overcome Refusal

Although an amendment to the Supplemental Register would be an appropriate response to this refusal(s) in an application based on Trademark Act Section 1(a) or 44, such a response is not appropriate in the present case. The instant application was filed under Section 1(b) and is not eligible for registration on the Supplemental Register until an acceptable amendment to allege use meeting the requirements of 37 C.F.R. §2.76 has been timely filed. 37 C.F.R. §2.47(d); TMEP §§816.02, 1102.03.

If applicant files an acceptable allegation of use and also amends to the Supplemental Register, the application effective filing date will be the date applicant met the minimum filing requirements under 37 C.F.R. §2.76(c) for an amendment to allege use. TMEP §§816.02, 1102.03; *see* 37 C.F.R. §2.75(b). In addition, the undersigned trademark examining attorney will conduct a new search of the USPTO records for conflicting marks based on the later application filing date. TMEP §§206.01, 1102.03.

Although registration on the Supplemental Register does not afford all the benefits of registration on the Principal Register, it does provide the following advantages to the registrant:

- (1) Use of the registration symbol ® with the registered mark in connection with the designated goods and/or services, which provides public notice of the registration and potentially deters third parties from using confusingly similar marks.
- (2) Inclusion of the registered mark in the USPTO's database of registered and pending marks, which will (a) make it easier for third parties to find it in trademark search reports, (b) provide public notice of the registration, and thus (c) potentially deter third parties from using confusingly similar marks.
- (3) Use of the registration by a USPTO trademark examining attorney as a bar to registering confusingly similar marks in applications filed by third parties.
- (4) Use of the registration as a basis to bring suit for trademark infringement in federal court, which, although more costly than state court, means judges with more trademark experience, often faster adjudications, and the opportunity to seek an injunction, actual damages, and attorneys' fees and costs.
- (5) Use of the registration as a filing basis for a trademark application for registration in certain foreign countries, in accordance with international treaties.

See 15 U.S.C. §§1052(d), 1091, 1094; J. Thomas McCarthy, *McCarthy on Trademarks & Unfair Competition* §§19:33, 19:37 (rev. 4th ed. Supp. 2017).

Response Options to Refusals

Although applicant's mark has been refused registration, applicant may respond to the refusal(s) by

submitting evidence and arguments in support of registration. However, if applicant responds to the refusal(s), applicant must also respond to the requirement(s) set forth below.

Amendment to Identification of Goods Required

The wording “A full line of clothing; Belts” in the identification of goods is indefinite and must be clarified because it does not specify the type of clothing. *See* 37 C.F.R. §2.32(a)(6); TMEP §1402.01.

Applicant may substitute the following wording, if accurate:

- Clothing, **namely, T-shirts, pants, sleeved or sleeveless jackets, and tennis shoes**; headwear; footwear; belts **for clothing**

Applicant may amend the identification to clarify or limit the goods and/or services, but not to broaden or expand the goods and/or services beyond those in the original application or as acceptably amended. *See* 37 C.F.R. §2.71(a); TMEP §1402.06. Generally, any deleted goods and/or services may not later be reinserted. *See* TMEP §1402.07(e).

For assistance with identifying and classifying goods and services in trademark applications, please see the USPTO’s online searchable [U.S. Acceptable Identification of Goods and Services Manual](#). *See* TMEP §1402.04.

Response guidelines. For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see “[Responding to Office Actions](#)” and the informational [video “Response to Office Action”](#) for more information and tips on responding.

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

How to respond. File a [response form to this nonfinal Office action](#) or file a [request form for an extension of time to file a response](#).

RESPONSE GUIDANCE

- **Missing the deadline for responding to this letter will cause the application to [abandon](#).** A response or extension request must be received by the USPTO before 11:59 p.m. **Eastern Time** of the last day of the response deadline. Trademark Electronic Application System (TEAS) [system availability](#) could affect an applicant's ability to timely respond. For help resolving technical issues with TEAS, email TEAS@uspto.gov.
- **[Responses signed by an unauthorized party](#)** are not accepted and can **cause the application to [abandon](#)**. If applicant does not have an attorney, the response must be signed by the individual applicant, all joint applicants, or someone with [legal authority to bind a juristic applicant](#). If applicant has an attorney, the response must be signed by the attorney.
- If needed, **find [contact information for the supervisor](#)** of the office or unit listed in the signature block.

Women's Shorts: Cargo, Denim, Short Shorts & More

If you're into American Eagle [women's jeans](#) and want the same style in your shorts, we've got good news. We make the tried-and-true women's shorts fits you love, the latest trends, and all of the washes and details you're looking for. We have a pair of shorts for every person, every event, and every spring and summer day. We use high-quality denim in every pair of jean shorts, soft, lightweight twill in our [khaki shorts](#) and cargo shorts, and we make on-trend soft shorts to keep your style levels sky high. AE women's shorts come in all kinds of fits, fabrics, and details so you can find the right pair every time.

No matter what you're into, AE has the best women's short fits out there. Ranging from [high-waisted shorts](#) to low-rise ones, old-school '90s shorts and cool Mom shorts, we've got plenty of options when it comes to how your shorts fit and feel. And in lengths ranging from our shortest inseam short shorts to the bike short and Bermuda short, you'll always have a length you love and feel good about. Midi shorts offer an in-between length, and other fits like Mom shorts and Tomgirl shorts keep things relaxed and laid back. Soft shorts use lightweight fabrics like linen and fleece; on-trend prints to keep you happy all year-round, and overall shorts diversify your shorts game with a one-piece showstopper you'll love.

When it comes to fabric, choose from all kinds of denim and khaki options. Our women's shorts are available in ultra-comfortable stretch fabrics to give you a fit that holds its shape and moves with you, or you can find rigid cotton jean shorts for a soft, throwback vibe in lighter washes. Frayed hems, tears, rips, mending, patches, and more create a look that's all you. And with all the washes you can think of ranging from bright white to dark black and with all the blues in between, you'll always have the right shorts for your next outfit.

If you prefer classic khaki shorts, we have options there, too! Go for our shortest short shorts, medium length [midi shorts](#), or classic Bermuda shorts in soft khaki materials. Just like we have all the denim washes you want (seriously - from black denim to white, from rich indigo to faded vintage-inspired shades), our women's khaki shorts come in a huge assortment of colors, too. Whether you go for neutrals like classic khaki, olive green, and navy blue, or prefer bold hues like pink, baby blue, or camo prints, our women's shorts have you covered with everything you need for shorts season. Every pair is made to feel as good as they look, so pick your favorites and make your best outfits by pairing them with your favorite [women's tops](#) today.

snorty

in American English

([ʃɔrtɪ] (noun plural shorties))

informal

NOUN

- 1. a person of less than average stature
- 2. a garment designed to be of short length, as a hospital bed jacket

ADJECTIVE

- 3. noting a garment designed to be of short length
a shorty nightgown

Also: shortie

Most material © 2005, 1997, 1991 by Penguin Random House LLC. Modified entries © 2019 by Penguin Random House LLC and HarperCollins Publishers Ltd

Word origin

[1905–10; SHORT + -y²]

This word is first recorded in the period 1905–10. Other words that entered English at around the same time include: *aspect ratio*, *cadre*, *one-shot*, *overcall*, *stabilizer*

-y is a noun-forming suffix with a variety of functions in contemporary English, added to monosyllabic bases to create words that are almost always informal. Its earliest use, probably still productive, was to form endearing or familiar names or common nouns from personal names, other nouns, and adjectives (*Billy*; *Susie*; *birdie*; *doggie*; *granny*; *sweetie*; *tummy*). The hypocoristic feature is absent in recent coinages, however, which are simply informal and sometimes pejorative (*boonies*; *cabby*; *groupie*; *hippy*; *loolee*; *Okie*; *preemie*; *preggy*; *rookie*). Another function is to form from adjectives nouns that denote exemplary or extreme instances of the quality named by the adjective (*baddie*; *biggie*; *cheapie*; *toughie*), sometimes focusing on a restricted, usually unfavorable sense of the adjective (*sharpie*; *sickie*; *whitey*). A few words in which the informal character of -y and -ie has been lost are now standard in formal written English (*goalie*; *movie*)

The difference between... experience / experiment

What's the difference between experience and experiment?

This week we are looking at two words which are sometimes confused by learners of English: experience and experiment.

THE GUARDIAN (2015)
Not that hip-hop had always been an easy sell.
THE GUARDIAN (2016)
I was using physical theatre and hip-hop movement to show this guy just wanting to get up.
THE GUARDIAN (2019)
Anyway, hip-hop pop you can whistle along with.
THE GUARDIAN (2015)
It's bigger than just hip-hop for me.
THE GUARDIAN (2016)
The writers have dispensed entirely with the usual gangster clichés of rap and hip-hop.
TIMES, SUNDAY TIMES (2009)
The hip-hop fan used rap in class to teach.
THE SUN (2012)
Soft hip-hop music was playing from a speaker next to a row of arty portraits of people dressed in their work clothes.
TIMES, SUNDAY TIMES (2012)
Once an underground scene, hip-hop is mainstream now.
THE SUN (2011)
China has accomplished what millions of disapproving parents could not: tamed hip-hop music.
TIMES, SUNDAY TIMES (2008)

Hip Hop Hoodies, Merchandise, and T-Shirts

Hyped for some off-the-hook hip-hop merch? Oh yeah, you're def in the right place. If you're main jam genre is hip-hop and you're desperately seeking apparel, accessories, collectibles, décor, and more to rep your all-time fave genre, artists, groups, and beyond, this is for sure the collection you've been seeking.

Whether you're totally obsessed with the hip-hop kings that put this genre on the map (we're lookin' at you Tupac, The Notorious B.I.G, and Wu-Tang) or you're deeply infatuated with the modern hip-hop moguls that are blazing a new path for the genre entirely (we see you, Postie, Lil Nas X, and Doja Cat), then you've finally found the collection you've always needed.

It's a one-stop-shop of all things hip-hop—so overflowing with carefully curated and must-have merch that you might not know where to start. Need some inspo to get you going? Check merch from iconic hip-hop artists like Ice Cube, Rico Nasty, Outkast, Eazy E, and more.

From tees and tanks to long sleeves and hoodies, we've got a little something for everybody in this hip-hop collection—stuff that merges fandom with fashion.

Got a fave hip-hop artist in mind? We get that—we've got our fave artists, too. If you're ready to slim down your search and zero in on your all-time fave artists, check out our Hot Topic Artist Collection for a zoomed-in peek at what merch, apparel, accessories, and more we've got to offer when it comes to your artist obsessions.

Whatcha waiting for, fan? You've got a collection to scan. Stop skimming this section and start scrolling the selection of all the hip-hop merch, apparel, and more that you've been searching for.

United States Patent and Trademark Office (USPTO)

USPTO OFFICIAL NOTICE

Office Action (Official Letter) has issued
on April 24, 2023 for
U.S. Trademark Application Serial No. 97450923

A USPTO examining attorney has reviewed your trademark application and issued an Office action. You must respond to this Office action to avoid your application abandoning. Follow the steps below.

- (1) **[Read the Office action](#)**. This email is NOT the Office action.
- (2) **Respond to the Office action by the deadline** using the Trademark Electronic Application System (TEAS). Your response, or extension request, must be received by the USPTO on or before 11:59 p.m. **Eastern Time** of the last day of the response deadline. Otherwise, your application will be [abandoned](#). See the Office action itself regarding how to respond.
- (3) **Direct general questions** about using USPTO electronic forms, the USPTO [website](#), the application process, the status of your application, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the Office action, address any question(s) regarding the specific content to the USPTO examining attorney identified in the Office action.

GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. Verify the correspondence originated from us by using your serial number in our database, [TSDR](#), to confirm that it appears under the “Documents” tab, or contact the [Trademark Assistance Center](#).
- **[Hiring a U.S.-licensed attorney](#)**. If you do not have an attorney and are not required to

have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
